CHEMCON-2010

CHEMCON-2010, the 63rd Annual session of the Indian Institute of Chemical Engineers will be held at the Department of Chemical Engineering, Annamalai University, Annamalainagar from December 27th - 29th, 2010.

The Indian Institute of Chemical Engineers(IIChE) is the premier professional organization providing a platform to Indian Chemical and allied industries, academia and research for continuing education and professional excellence networking. It helps us to provide a forum for substantial discussion on the emerging technologies and methodologies being developed to overcome the challenge that exist in all the areas of Chemical Engineering.

CHEMCON-2010 will feature a host of events, which will include memorial and plenary lectures, seminars, symposia, panel discussions, exhibitions and cultural events.

TECHNICAL SESSIONS:

Technical sessions are being planned on the following broad areas:

- Transport Processes
- Novel Separation Techniques
- Environmental Engineering
- Biochemical Engineering & Biotechnology
- Energy Conservation and Renewable Sources of Energy
- Process Development
- Thermodynamics & Reaction Engineering
- Electrochemical & Corrosion Engineering
- Instrumentation & Process Control
- Modeling, Simulation and Scale-up
- Food Processing Technology
- Nano technology
- Pharmaceutical Technology
- Safety and Hazard Control
- Polymer Engineering & Technology
- Green Technology

SHRI DHIRUBHAI AMBANI COMMEMORATION DAY

Shri Dhirubhai Ambani Commemoration day will be celebrated on 28th December 2010.

DEPARTMENT OF CHEMICAL ENGINEERING

Annamalai University is a unique residential university which is spread over a land area of 1200 acres. It celebrated its Platinum Jubilee in the year 2003. It has nine Faculties and forty nine Departments. The Department of Chemical Engineering, Annamalai University, the venue of CHEMCON-2010 is one of the oldest Departments of Chemical Engineering in India established in 1945. It celebrated its Diamond Jubilee in 2005. Its Alumni are occupying very high positions in all leading industries and Institutions in India and abroad. The Department has very good tie-up with industries and contributes a lot to the development of the industries since its inception. The Department offers the Chemical Engineering degree at under graduate, post graduate and doctoral levels. It also offers the post graduate program in Industrial Biotechnology and Food Processing Technology. It has well-equipped laboratories for the Chemical Engineering, Biotechnology and Food Processing Technology programmes. The department has the faculty expertise in Chemical Engineering and allied areas and has produced 30 PhDs so far. The department conducted successfully the 3rd Annual Session of Student Chemical Engineering Congress SCHEMCON-2007 and number of UGC sponsored Refresher courses on Bio process Technology.

VENUE:

Annamalainagar, Chidambaram is a temple town, famous for Siva Lord Nataraja temple. It has a rich culture and heritage and attracts tourists from all over the world. Pitchavaram, a

tourist attraction is famous for its beautiful mangrove forest is located 12 Km from Chidambaram. Navagraha temples are located within the radius of 40 Km. Chidambaram is 70 Km from Pondicherry and 220 Km from Chennai. It is well connected to Chennai with train and bus route.

CALL FOR PAPERS :

The authors are requested to send three hard copies of the abstract (not exceeding 500 words) along with CD typed in Times New Roman with 1.5 line spacing and 10 font size to the Organizing Secretary, CHEMCON-2010, Department of Chemical Engineering, Annamalai University, Annamalai Nagar-608 002, India.

IMPORTANT DATES:

Last date for receipt of abstract : May 30, 2010
 Intimation of acceptance : July 30, 2010
 Last date for submission of full paper : August 20, 2010
 Intimation of final acceptance of paper : October 10, 2010
