

IIChe OFFICE BEARERS

Mr. Sushil Kumar	President
Dr. S. Ganeshan	Immediate Past President
Prof. V.K. Srivastava	Vice President
Prof. Ch.V. Ramachandra Murthy	Vice President
Prof. Basab Chaudhuri	Honorary Secretary
Prof. N.M. Surana	Honorary Joint Secretary
Mr. B.R. Saha	Honorary Treasurer
Dr. A.K. Saroha	Honorary Editor
Dr. T. Viruthagiri	Controller of Examinations
Dr. M.K. Jha	Honorary Registrar

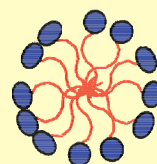

IIChe (NORTHERN REGIONAL CENTRE) EXECUTIVE COMMITTEE MEMBERS

Mr. Shyam Bang	Chairman
Dr. Anand Mukherjee	Vice Chairman
Prof. S. Basu	Honorary Secretary
Dr. A.K. Saroha	Treasurer
Mr. Ajay Sharma	Joint Secretary
Prof. S.S. Sambhi	Member
Prof. V.K. Srivastava	Member
Mr. Rajiv Narang	Member
Mr. Jai Uppal	Member
Dr. S.N. Chakravarty	Member
Mr. Ashish Gupta	Member
Dr. K.K. Pant	Member
Mr. K.K. Shrivastava	Co-opted Member
Mrs. Sampada Bajaj Chawla	Co-opted Member

INDIAN INSTITUTE OF CHEMICAL ENGINEERS (NORTHERN REGIONAL CENTRE) ANNOUNCES

One-Day Seminar on
Advanced Elastomeric Materials and Technologies
& Electron Beam Treatment System

engineering

molds & tools

quality control

molding

finishing

Venue :
Indian Institute of
Chemical Engineers
C-27, Qutab
Institutional Area,
New Delhi

Date :
18th April, 2009

ORGANIZED BY
INDIAN INSTITUTE OF CHEMICAL ENGINEERS
(NORTHERN REGIONAL CENTRE)

C-27, Qutab Institutional Area, New Delhi 110016
Phone : 011-26532060 , 26533539

E-mail: iichenrcdelhi@yahoo.com Web : www.iichenrc.org.in

Announcement

Indian Institute of Chemical Engineers (IIChE) is the premier professional organization furthering the development of chemical, petrochemical and allied industries with respect to R&D, design and engineering, educational programmes and consultancy. It also provides a bridge between the industry and the Government and a platform for interacting with professionals from other disciplines of science and engineering.

IIChE NRC has been holding lectures, seminars covering wide range of topics of interest for its members and professionals engaged in related activities, in disseminating various aspects of current and emerging technologies.

Indian Institute of Chemical Engineers NRC is organizing a one day seminar on "Advanced Elastomeric Materials and Technologies & Electron Beam Treatment System". Advanced Elastomers & Electron Beam curing system in Rubber / Polymer Industry can be applied for the development of new process and high performing products.

Elastomer / Polymer industry has grown many folds in India during last 2-3 decades and play very important role in our daily life. Application of advanced elastomers & futuristic technology finds wide usage in Defense, Space and Nuclear applications. Further, major rubber industry like tyre manufacturing industry, is always looking for cleaner and faster manufacturing process to reduce pollution / carbon emission & develop higher performing products. *These subjects to be delivered by invited experts from Defense, Nuclear Research and Industry are very appropriate in the directions mentioned above. Technical personnel involved in Elastomer / Polymer industry would find these talks highly interesting and beneficial.*

Invitation

The organizer invites all Technical, R & D and senior management persons of the polymer / elastomer / rubber industry to attend the Seminar and benefit from the knowledge imparted during their lectures and discussions.

Salient features of seminar

The seminar would be covering the following :

- Application of Electron Beam radiation in Elastomer & Rubber compound curing by expert from BARC. (Dr. Sunil Sabharwal, Head , Radiation Technology Development Section)
- Advanced Elastomeric materials & Technologies and challenges for futuristic Defense & Aerospace applications by expert from DMSRDE , Kanpur (DRDO) (Dr. D.K. Setua, Scientist "G", Additional Director)
- A paper to be presented on Advanced Electromeric Materials by Dr. U.K. Niyogi, Dy. Director (Material Science Division), Shriram Institute for Industrial Research.

Venue and Dates

Indian Institute of Chemical Engineers, C-27
Qutab Institutional Area, New Delhi-16 on 18th April, 2009

Faculty

The speakers for the seminar would be from leading national and international corporations, research and academic institutions.

Registration

Registration Form is enclosed.

All are requested to register latest by 15th April, 2009.

The delegates are requested to enclose a DD/Cheque in the favour of "Indian Institute of Chemical Engineers" payable at New Delhi for the amount as applicable along with the registration form and addressed to

Fees

IIChE / IRI / IPI / Members	Rs. 250/-
Non-members	Rs. 500/-
Students	Free
