Dhirubhai Ambani Commemoration Day

The Dhirubhai Ambani Commemoration Day, an integral part of CHEMCON, will be observed on 28 December to mark the Birth Anniversary of late Shri Dhirubhai Ambani, the iconic entrepreneur of India and the Founder Chairman of Reliance Industries Ltd. Dhirubhai Ambani Commemoration Day Orator shall be announced soon.

Conference Objectives

Lectures by CHEMCON Distinguished Speakers and international symposia are the other prestige events, where one gets access and exposure to the latest happenings in the ever-expanding domain of chemical engineering

Call for Papers (All areas in Chemical Engineering including)

- ❖ Nanomaterials and Nanotechnology, Polymers & Composites (NMN)
- ❖ Energy and Environment: Solar/Biomass/Fuel Cell/Hydrogen Energy/Li-ion Battery/Conventional and Non-conventional energy, Wastewater Treatment (EEN)
- ❖ Bio-process Engineering, Biomedical Engineering, Food Technology (BFT)
- ❖ Petroleum Refining & Petrochemicals (PRP)
- ❖ Process Modeling, Stimulation & Optimization (PMS)
- ❖ Green Chemistry and Industrial Chemistry (GCH)
- ❖ Others area of Chemical Engineering like Advanced Separation Processes, Catalysis Process Intensification & Process Automation (OCH)

Registration Fee

	IChE Member	Non-IChE
Student (UG/PG/Research Scholar)	Rs. 800	Rs. 1000
Faculty Member	Rs. 1000	Rs. 1500
Industrial Personnel	Rs. 2000	Rs. 2500

About the Conference

The **Indian Chemical Engineering Congress (CHEMCON)**, which marks the Annual Session of the Indian Institute of Chemical Engineers, is the most important and popular event in the annals of the IChE. Organized in the month of December, CHEMCON is a spectacle comprising multiple events including Memorial Lectures, Plenary Lectures, Seminars, Symposia, Panel Discussion, Exhibitions, etc.

This year, in the wake of the unrelenting Covid-19 crisis, IChE has been compelled to depart from the customary format. Consequently, CHEMCON 2020 will be jointly organized by the IChE Headquarters and IChE-HRC on the digital platform during 27 – 29 December 2020. CHEMCON 2020 will feature the three signature Memorial Lectures, i.e., Dhirubhai Ambani Commemoration Celebration Lecture, Dr. H.L. Roy Memorial Lecture sponsored by Jacobs, Aker Powergas's Prof. N R Kamath and Mrs. Ruzena Kamath Memorial Lecture, Inventaa C K Murthy Memorial Lecture, on 27th December, 2020.

Continuing with the long tradition, the Memorial Lectures will be delivered by the who's who of academia, elite research establishments and the corporate world in the national and international arena. Dr. H. L. Roy Memorial Lecture will be delivered by Prof. Bala Subramaniam, University of Kansas USA, Aker Powergas's Prof. N. R. Kamath and Mrs. Ruzena Kamath Memorial Lecture by Dr. R.R. Sonde, Executive Vice President, Thermax Limited, and Inventaa C. K. Murthy Memorial Lecture by Prof. Debangsu Bhattacharyya, West Virginia University USA.

About Indian Institute of Chemical Engineers (IChE)

Indian Institute of Chemical Engineers (IChE), with its head office at Kolkata, has its 42 Regional Centers and 168 Student Chapters spread all over India. IChE is a confluence of streams of professionals from academia, research institutes and industry. It aims to promote advancement of Chemical Engineering Science and draw up a code of ethics in the profession, maintain and widen contacts with chemical engineering professionals in India and abroad to ensure regular exchange of ideas with other national and international professional institutes in this field. Even as the IChE is always moulding itself and playing a proactive role to keep up with the ever changing needs of the society and the economy, the basic objectives remain largely unchanged since its inception.

About Hyderabad Regional Centre (HRC) IChE

The HRC of IChE has been promoting continued engagement among stakeholders associated with the Chemical Engineering Science. Typical activities include organizing conferences, seminars, workshop, lectures and coordinating students' interaction with industry. It has successfully conducted several professional events in the past such as Annual Indian Chemical Engineering Congress (CHEMCON), Students' Chemical Engineering Congress (SCHEMCON) and conferences/workshops/seminars/panel discussions etc. on themes related to chemical engineering and technology. IChE-HRC has also been conducting M. P. Chary Endowment lectures annually since the year 2008 with eminent speakers.
