CHEMCONS & SCHEMCONS 4.0

CHEMCON 2017 Accounts related matters 4.1

Mr. Ranga Rao, Member, High Power Committee, reviewed the documents received from the Haldia Regional Centre on 14.10.2019 at IIChE HQ. Mr. Rao submitted a brief report to the council. It has been observed that CHEMCON 2017 organizer has not rectified the bills and/or works order based on the data supplied by the Members of Haldia Regional Centre on 19.08.2018 to Prof. Chaurasia Committee and to Prof A.K. Mitra Committes. Prof. Radha Das, Organizing Secretary and Dr. R. N. Jana, Treasurer of CHEMCON 2017 accepted their mistake in the accounts in the high power committee meeting held on 1st

1

September 2019 under the Chairmanship of President IIChE and they agreed to submit the corrected accounts after rectifying the earlier mistakes/short-comings. (Annexure (MOM High power committee) -1). However, no significant rectification has been made in the revised account submitted to IIChE HQ after the meeting with High Power Committee on 01.09.2019.

The Council deliberated thoroughly on this issue and taken the opinion of every council member present in the meeting. To avoid legal implications, financial issues, income tax matters and also to close long pending issue, the council unanimously decided the followings:

- 1) Haldia Regional Centre (Address: Department of Chemical Engineering, Haldia Institute of Technology, Haldia) has not adopted and followed CHEMCON protocol procedures.
- 2) The CHEMCON 2017 audited accounts submitted by LOC and forwarded by the then Honorary Secretary of Haldia RC, would be provisionally considered for placing before the appropriate authority for the accounting purpose.
- 3) Any queries raised by the IT departments and any authorized experts based on accounts submitted by LOC, Haldia Regional Centre, it will be sole responsibility of HRC to bear all penalties and IT dues related to CHEMCON 2017 accounts.
- 4) As Haldia RC has not fulfilled all requirements of CHEMCON 2017 account. Haldia Regional Centre located in the Department of Chemical Engineering at Haldia Institute of Technology will not be given any program/activities like SCHEMCON/CHEMCON etc. from IIChE Head Quarter at least for next 10 years. (Annexure –II CHEMCON Bid form: Where it is mentioned that if any differences in opinions are raised, the decision of the President will be final).
- 5) The CHENCOM 2017 Organizing Secretary (Prof. Radha Das) and Treasures (Dr. R. N. Jana) shall not be allowed to contest in the executive committee of Haldia Regional Centre EC as well as in the council election of IIChE Head Quarter in future, as council is not satisfied with their accounts submission in-spite of repeated reminders over period of two years.
- 6) Council decided to revoke the ban on HRC-IIChE functioning with immediate effect and allowed to do its general activities' under the supervision of Honorary Secretary, IIChE.
- 7) The expenditures incurred by HQs for conducting High Power committee meetings; Management Audit, etc may be borne by the Haldia Regional Center. The amount will be deposited into Head quarter account at the earliest and not later than May 31st 2020.

4.2 CHEMCON 2018

Revised annual accounts were received from Doaba Regional Centre. It would be reviewed and would be reported in the next council meeting.

4.3 CHEMCON 2019/ Dhirubhai Ambani Commemoration Day

4.3.1 Members noted that as per guide lines of CHEMCON, the Local Organizing Committee should submit a report on the Conference within a month to the Council and the audited

2

statement of accounts by 31st March. It was also noted that the report should include (based on the recommendations of the Chairpersons of Technical Sessions) the names of the authors of the Best Technical Papers presented in each Technical Session of CHEMCON.

4.3.2 Council decided that the sponsorship amount receivable from Reliance Industries Limited (RIL) would be distributed between Northern Regional Centre and Jaipur Regional Centre in the ratio of 40:60, respectively. Moreover, it was also decided that in future only IIChE HQ would communicate to RIL for the sponsorship to the CHEMCON.

4.4 CHEMCON 2020

Council decided to send a letter to the organizing secretary of CHEMCON 2020 with a request to follow the CHEMCON protocol. Prof. S. C Naik would look in to the matter and report to the council if any differences in opinion arise.

4.5 **CHEMCON 2021**

Council approved the BID received from Kanpur Regional Centre and hence CHEMCON 2021 would be hosted by Kanpur RC.

There are several requests for organizing CHEMCON 2022, however, the year 2022 will be platinum Jubilee year of IIChE, the council opinioned that it may be organized at IIChE Head Quarter with the complete cooperation and participation of all the past & present council members, and regional center Chairpersons to improve the financial position of head quarter. The final confirmation would be taken as per the existing precedence of taking decision in last council meeting of 2020.

4.5 **SCHEMCON 2019**

Council noted the report of SCHEMCON-2019 as received from SCHEMCON 2019 organizers and advised HQ to make follow-up for receiving the audited statement of accounts.

4.6 **SCHEMCON 2020**

Council noted that no communication was received from the organizer after the 5th Council meeting 2019.

4.7 **SCHEMCON 2021**

Bids for organizing SCHEMCON 2021 was received from Dr S Suresh, Assistant Professor & Head of the Department, MANIT Bhopal, Madhya Pradesh (vide his email of 07.09.2019) as given in **Annexure-III**. Council further decided that the department could become organizational member and would directly attach to the IIChE HQ. The matter would be reviewed after receiving their response. They could also attach to a nearby RC. A letter would be sent from the IIChE HQ with the request to attach with nearby regional centre. (It would be further discussed in the next council meeting).

5.0 Administrative Matters

5.1 Council approved the recommendations of the Disciplinary Committee (Annexure-IV) with minor changes (Point-7 in the annexure-IV) that the designation of Mr. Soumen Nath would be as Assistant Manager in other section (Except account). The Council authorised Honorary Secretary to issue an office order to Mr. Soumen Nath in accordance with the recommendations of the Disciplinary Committee followed by Council decision.

5.2 Recovery of Excess Payment credited to IIChE Account

Council noted that Excess payment of Rs 2,76,991/- made to M/s Art & Architecture was recovered by IIChE HQ with the help of Admin Committee and credited to Bank Account of IIChE on 16.11.2019. The council appreciated the efforts of building committee and honorary Secretary.

5.3 Annual Report of Regional Centres

The Regional Centres who have not submitted their annual report as on date are Dehradun, Dhanbad, Durgapur, Goa, Kalpakkam, Lote-Parasuram, Mangalore, Pondicherry & Pilani.

One reminder email would be sent to Dehradun, Dhanbad, Durgapur, Goa, Kalpakkam, Lote-Parasuram, Pondicherry & Pilani for submitting the annual report by 15th February 2020 failing which particular RC would be merged with the nearby active regional centre.

5.4 Annual Accounts of Regional Centres

The Regional Centres who have not submitted their Annual Accounts in due time are Damanjodi, Dehradun, Dhanbad, Durgapur, Goa, Kalpakkam, Paradeep and Pondicherry. Hence the same could not be incorporated in the consolidated accounts for the FY 2018–2019.

Council decided that Assistant Secretary will contact to the respective Chairmen/Secretaries for getting the Reports by 15th February 2020 failing which particular RC would be merged with the nearby active regional centre. Council suggested that the head quarter should be more pro-active in this regards.

Council also noted that Pondicherry RC and Kalpakkam RC have audited their accounts 2018-19.

6.0 Financial Matters

- 6.1 Council decided not to increase cash limit from Rs. 5000/- to Rs. 10000/- for day to day expenditure.
- Regarding appeal case for the AY 2017-2018 and on the question of law for the AY 2019-2020 whether or not income tax paid in previous year 2018-2019 shall be considered as eligible expenses in calculation of 85% expenditure, legal opinion is suggested by our Auditor to be taken from Mr. Sanjay Bhattacharjee, Senior CA. The cost for legal opinion is around Rs. 12,000/-.

Council approved the cost for the legal opinion from Mr. Sanjay Bhattacharjee, Senior CA.

8. Why Bhopal is suitable for conducting SCHEMCON?

Bhopal is the capital of Madhya Pradesh located at the heart of India. Bhopal city is well connected to almost all the cities across India. Bhopal is an eco-friendly place and one of the cleanest cities of India. Various industries e.g. Lupin Pharmaceutical, Bina Refinery, GAIL, NFL, HEG Limited, United Engineering Industries, GEI Industrial Systems etc. are situated in the vicinity of Bhopal. There are more than five institutes within 25 KM where Chemical Engineering or allied areas are being taught. Few of them are Indian Institute of Science Education and Research Bhopal (IISER), MANIT Bhopal, Rajiv Gandhi Proudyogiki Vishwavidyalaya (RGVP), Barkatullah University Institute of Technology, Sagar Group of Institute. Lakshmi Narain College of Technology, and Samrat Ashok Technological Institute. If the SCHEMCON is organized at MANIT Bhopal, all the students of these institutes are going to be benefitted.

9. Activities of students' chapter at MANIT Bhopal?

There is a IIChE student chapter in Chemical Engineering Department of MANIT Bhopal. This chapter organizes expert lectures by eminent scientists and experts from Industry periodically. The students chapter organize industrial visit in order to understand the issues associated with chemical industries. Also, there is also an annual poster presentation ceremony in which students who perform excellently in academic as well as extracurricular activities are felicitated.

"Minutes of the Disciplinary Committee Constituted by the Council"

Date: 02.11.2019

The meeting of A "Disciplinary Committee" constituted by council, IIChE at its 5th council meeting held at Ankeleswar on 17th and 18th October, 2019 was held IIChE Head Quarter Kolkata on 2^{td} November, 2019 to investigate the irregularities by Mr. Soumen Nath discussed the matter on 02/11/2019 at IIChE, Head Quarter. The members present are:

- 1. Prof. B. B. Paira (Chairman)
- 2. Mr. D. M Butala, Member
- 3. Dr. M. P. Jain, Member
- 4. Dr. G. S. Venkatratnam, Member
- 5. Dr. Avijit Ghosh, Member

Prof. Amitava Bandyopadhay, Honorary Secretary, IIChE was requested by the Chairman to brief the committee.

The following points were discussed

- Mr. Piyush Banerjee presented the anomalies in the accounts.
- 2. Mr. Soumen Nath was asked several questions. Mr. Nath confirmed that he has neither commerce degree (B.Com) nor has undergone certificate courses in Accounting and has no past backgraound experience as accountant. He has been exposed to accounts function only after his transfer to the account department. Mr. Nath admitted to his mistake in excess payments to the IM/S Art and Architecture. Mr. Nath also admitted to his not having qualification in accounts. He admitted his misbehavior and insubordination and regretted doing it. Mr. Soumen Nath also admitted to improve his conduct in future. He pleaded that he should not the removed from the job because he has not done the mistake deliberately but unknowiningly due to lack of accounting knowledge.
- 3. Mr. Sandip Ghosh was asked questions regarding behavior of Mr. Soumen Nath with him. He has complained of misbehavior by Mr. Soumen Nath.

Recommendation by the "Disciplinary Committee"

- 1) After thorough investigation and review of all the points raised and personal meeting of "disciplinary committee" with Mr. Soumen Nath, the committee has recommended transferring Mr. Soumen Nath to the department which looks after dispatch functions and all functions handled by Ms. Dulu Das. Mr. Nath will work in coordination with Ms. Dulu Das to pick up the knowledge of job functions handled by Ms. Das.
 - 2) To stop the effect of two increments and Rs 2000 extra payment given to Mr. Nath for his additional duties (i.e training new account department employees and extra work load) w.e.f 1st July,2019. Continuation of his misconduct, misbehavior, and insubordination may end up in termination of Mr. Soumen Nath service from the institute.
 - 3) The increment for the next year (2020) would not be paid and shall be reviewed by the committee to be constituted by the council based on the evaluation of annual PAR (Performance appraisal report).
 - 4) He has been advised to improve his conduct and behavior to his seniors as well as subordinates.
 - 5) During the period of transition, the Assistant Manager (Account), Mr. Soumen Nath will hand over all documents, password and other accounts related materials to Mr. Piyush Banerjee, Manager Account immediately after the receiving the transfer order.
 - 6) The disciplinary committee asked Mr. Soumen Nath to hand over one set of keys of the Locker of the Almirah containing finance documents of IIChE to Honorary Treasurer on 2/11/2019.
 - 7) Mr. Soumen Nath shall be re-designated as Senior Assistant (Dispatch and Receipt, Examination and Maintenance) w. e. f.his transfer and and continue to report Mr. Sandip Ghosh, Assistant Secretary, IIChE). His present grade is not affected except for the above mentioned point 2 & 3..

Agenda and report of suggestions & actions of Chemical Profess Safety Group

meeting (rescheduled) at Shroff S.R. Rotary Institute of Chemical Technology Ankleshwar on 17.10.2019 at 5 pm to 6 pm (after council meeting)

Dr T L Prasad (Convener)
Prof S C Naik (Chairman)
Mr Joy M Shah
Mr Vijay Bhujle
Mr D M Butala
Prof K A Badarinarayan
Mr K T Shenoy
Prof K S Rajanandam – Invitee
Dr G S V Ratnam – Invitee

Spl Inviteees:

Kiran Ramchandra Golwalkar, Dr MP Jain and

nominee of HWB

development initiative,

1. As part of skill certificate course on process safety by IIChE at all its regional centers. Brief on HQ deliberations on the course content. Draft Brochure preparation and discussion of the same. Deliberation on council suggestions for radiation safety and Electrical safety course contents. Tentative syllabus for radiation safety/Electrical safety is as attached.

- 2. Suggestion of faculty details with safety expertise under Bangalore region by Prof Rajanandam and under Chennai region by Dr GSV Ratnam
- 3. Safety articles for IIChE News letter for the year 2019. Brief by Mr Joy M shah on 3rd article published
- 4. A chapter on industrial safety in the subject Chemical Technology and Inclusion of An elective on Industrial safety for various processes in the UG syllabus. Prepare a note in this regard as per the present day syllabus in VTU and other universities.
- 5. Daylong seminar in association with Regional Centres of IIChE, as suggested by Sh.D Butala and Chairman MRC.
- 6. To take up one or two major incident in India, review its investigation report; go in detail for further analysis like CCPS at US; work out what are improvements required for design and operating practices. If possible, issue revised incident investigation report. To send a letter to govt authorities from IIChE for Incident investigation team authorisation.
- 7. The content generation in vernacular languages for the benefit of semi skilled operators of process plants and to be distributed during Industry-Institute interactions.
- 8. Explore 'App' development/requirement for process safety and identify projects for developing the same through student chapters of IIChE. Sending safety problem statement for Hackthon 2020.
- 9. Any other issues/MoUs
- 10. Date and venue for 4th meeting at IIT Delhi on 17.12.2019

CERTIFICATE COURSE ON "PROCESS SAFETY"

Organizations with a positive safety culture are characterized by communications founded on mutual trust by shared perceptions of the importance of safety and by confidence in the efficacy of preventive measures. As part of "Skill India Development Initiative" IIChE believes in nurturing a strong culture on process safety by offering a comprehensive course on Safety, Health, Environment (commonly called SHE) and Risk Management for Chemical and allied process industries. The resource persons are drawn from experienced members of IIChE.

Batch size

15 to 20 hours spread over weekends Duration

Rs 10,000/- per person Fees

At all Regional centres of IIChE Venue Sh Vijay Bhujle GVS CIBA TECH

Course coordinator

Course Contents

- Safety and Risk Management
- Material Hazards; MSDS (Material Safety Data Sheet)
- Hazard Evaluation Techniques
- Risk Identification and Assessment Techniques; Chemical risk and its evaluation
- Storage, Handling and Transportation of Hazardous Substances
- Safety in Utilities
- Environmental Regulations for safer process plant operation in India and abroad
- Safety Devices; Protection of equipment
- Management Practice in SHE and behavioural safety
- Bio-safety; Biohazards
- Typical Case Studies

- 1. Fundamental principles of physics and mathematics used in radiation protection, including radioactive processes, nuclear reactions and statistical methods. Sources of radiation with matter
- 2. Understanding of the radiometric, dosimetric and operational quantities of radiation protection and their measurement units, to carry out related calculations. Practical experience to set up and operate different types of radiation detectors, recognize their operating principles, characteristics and limitations and analyze and interpret the measurement data.
- 3. Awareness of the effects of radiation at the molecular and cellular levels and an understanding of the tissue reactions that can result in stochastic and deterministic health effects.
 - 4. Understanding of the role played by international organizations in radiation protection, including the ICRP's recommendations on the international system of radiological protection. To provide an overview of the relevant IAEA Safety Standards, including the main components of the legal and regulatory framework for safety, the relevant regulatory control measures, as well as the main principles of safety culture and building competence in radiation safety.
 - 5. Industrial irradiators and accelerators
 Overview of industrial irradiators and accelerators; organizational responsibilities; basic requirements for safety, specific regulatory requirements; features of facility design; safety associated to the equipment; maintenance; radiation protection programme: protection

of the workers; emergency preparedness and response; lessons learned from accidental exposure in industrial irradiators and accelerators; management of disused sources

6. Radioactive waste management Sources of radioactive waste including medical applications, waste types, waste classification, waste characterization. Basic technical management options: dilute and disperse, concentrate and contain, storage for decay and clearance from control; waste minimization. Pre-disposal waste management: collection, segregation, treatment, conditioning, secure storage Control of effluents: approach to regulatory control, establishing authorized discharge levels. Radiation protection programmes in place at the various types of waste management facilities. Management of disused sealed sources: technical options and safety aspects. Management of waste from decommissioning. Solid waste disposal options for different waste types, safety principles and technologies for assuring long term safety, safety assessment methods. Management of waste from uranium and thorium, mining and milling
